Definitions

1. “Amended Complaint” means the Second Amended Complaint filed in the above-captioned litigation as ECF No. 557.

2. “Communication” means, in addition to its customary and usual meaning, every contact of any nature, whether documentary, electric, written, or oral, formal or informal, at any time or place and under any circumstances whatsoever whereby information of any nature is transmitted or transferred by any means, including but not limited to letters, memoranda, reports, emails, text messages, instant messages, social media postings, telegrams, invoices, telephone conversations, voicemail messages, audio recordings, face-to-face meetings and conversations, and any other form of communication or correspondence. Without limiting the foregoing in any manner, commenting as well as any act of expression that is not directed at a specific person, or otherwise may not be intended to provoke a response (such as social media posting, “likes,” “shares,” or any other form of reacting to another’s use of Social Media), are forms of communication.

3. “Concerning” means, in addition to its customary and usual meaning, relating to, pertaining to, referring to, alluding to, confirming, constituting, comprising, containing, commenting upon, responding to, discussing, describing, embodying, evaluating, evidencing, identifying, in connection with, involving, mentioning, noting, pertaining to, probative of, related

to, relating to, reflecting, referring to, regarding, setting forth, supporting, stating, showing, touching upon, dealing with, assessing, recording, bearing upon, connected with, in respect of, about, indicating, memorializing, proving, suggesting, having anything to do with, contradicting, and summarizing in any way, directly or indirectly, in whole or in part, the subject matter referred to in the Deposition Topic.

4. “Document” or “Documents” means documents broadly defined in FRCP Rule 34, and includes (i) papers of all kinds, including but not limited to, originals and copies, however made, of letters, memoranda, handwritten notes, notebooks, messages, agreements, rough drafts, drawings, sketches, pictures, posters, pamphlets, publications, news articles, advertisements, sales literature, brochures, announcements, bills, receipts, credit card statements, and (ii) non-paper information of all kinds, including but not limited to, any computer generated or electronic data such as digital videos, digital photographs, audio recordings, podcasts, Internet files (including “bookmarks” and browser history), online articles and publications, website content, electronic mail (e-mail), electronic chats, instant messages, text messages, uploads, posts, status updates, comments, “likes”, “shares”, direct messages, or any other use of Social Media, and (iii) any other writings, records, or tangible objects produced or reproduced mechanically, electronically, or photographically. Without limiting the foregoing in any way, every Communication is also a Document.

5. “Events” means the occurrences and activities described in Paragraphs 44 to 334 of the Amended Complaint.

6. “Person” means any natural person and/or any other cognizable entity, including but not limited to corporations, proprietorships, partnerships, joint ventures, and/or associations, whether formal or informal.

7. “Social Media” means any forum, website, application, or other platform on which persons can create, transmit, share, communicate concerning, or comment upon any information, ideas, or opinions, or otherwise engage in social networking. Without limiting the foregoing in any manner, and by way of example only, the following are social media platforms: comment sections of websites, Facebook, Discord, Reddit, Imgur, SnapChat, Instagram, Google+, 4chan, 8chan, Twitter, Tumblr, YouTube, and instant messaging services such as Signal, WhatsApp, Messenger, Hangouts, or Skype. Without limiting the foregoing in any manner, and by way of example only, the following are methods of using social media platforms: uploading, posting, commenting, reacting (e.g., “liking” a post), and sharing.

8. “Social Media Handle” means the unique identifier (whether a name, nickname, user name, avatar, image, or otherwise) associated with a user of Social Media. A Social Media Handle includes, for example, your unique Discord user handle including a four-digit number at the end of that handle.
